Brimscombe Intentional Community Meeting

The latest meeting of the group that is exploring the formation of an Intentional Community based at Brimscombe Methodist Church met on 14.10.17. The meeting looked at how a range of different intentional communities approached their community “rule” or “rhythm of life” or pattern of life”, focusing on the following communities in particular:

- The Bruderhof Darvell Community
- Hilfield Franciscan Friary
- Carrs Lane Lived Community
- The Northumbria Community
- The Franciscan Third Order

The meeting decided that we need to begin by summarising the core purpose/core vision of the community before we can consider any specific content to a community rule. The rule will emerge over time once the core vision is in place. It was agreed that each of us would bring to the next meeting a short summary of the key element(s) we would personally like to see included in a statement of the community's core purpose and vision. We would then use the next meeting to discuss and, ideally, agree a statement of the community's core purpose/vision. The next meeting will take place on Wednesday 11 November between 12.30-2.00pm at Brimscombe Methodist Church around a bring and share meal. You are welcome to attend even if you haven't been to previous meetings.
