PISR Network

The Circuit is setting up an email distribution list of those individual members and church representatives willing to receive regular emails about Public Issues and Social Responsibility issues, as a support to involvement and work across the county. If you are interested, please email consent to include your email address to office@gloscircuit.co.uk.

One of the things we are thinking about circulating is the national, monthly Joint Public Issues Team Newsletter email, to which we would add any particular county dimension to the issues they cover. Please do get in touch if you would like to find out more.
