#### PASTORAL LETTER from the Superintendent

Winter 2023

Dear brothers and sisters,

As a recent convert to the world of model railways, my eye was caught by a picture of a model railway on the Methodist Website. [Railways at Romiley \(methodist.org.uk\)](http://methodist.org.uk). The Rev W. Awdry loved trains and millions of children have been introduced into model railways through the world of Thomas the Tank that he created. In his retirement he lived in Rodborough near Stroud and became the first president of the Gloucester Model Railway Club, so there is a link with this circuit. The Gloucester club holds an annual display at Hucclecote Methodist Church.

There is a Methodist model railway club in Romiley which puts a particular emphasis on involving children and young people in building a variety of layouts. They put on a show every year which attracts around 1000 people and holds weekly social sessions. They also take displays out to hospitals for children to play with.

A friend tells me that a lot of Methodist ministers like building model railways because it gives them a feeling of power and control. I prefer to think it's about developing a variety of skills ranging from electronics, engineering, and crafting to carpentry. Its also a hobby you can do on your own or in the company of others.

Since I started to build a layout I have been introduced to a different community of people from all kinds of backgrounds who share a passion in common and enjoy talking about what they are doing. They share their skills and get stuck into joint projects.

Some people will not understand this passion, which is fine. Most of us though do want a place where we can feel that we belong to a community. Sociologists say that to really feel they belong to a community people need to experience a sense of **solidarity** - sharing something in common, **security** – a sense of being accepted in the long term and **significance** – having something to contribute. The Methodist theologian, Deacon David Clarke, suggests that a Christian community should go further and be a place where people can experience, **life, liberation and love**.

Jesus was in the business of building community and shared a vision of human community that is rooted in God. Through the way he behaved and the stories he told he invited people into a community where every member is committed to the flourishing of others. We share in God's work when we contribute towards building healthy communities in our workplaces, and leisure activities as well as in the church.

With every blessing,

*John*

John Hellyer

## PREACHER AND CHURCH NEWS

We were saddened to hear of the deaths of both Don Ekless and Tony Rowntree:

Born in Kent, Don moved to Bournemouth, leaving school at 14 before signing up for a 12 year stint as an engineer at RAF Locking where he was top apprentice in 1950. Don met Anne and they married a few years later. In the RAF he worked on airframes and spent some time in the [then] King's Flight, before being transferred to the naval unit at Gosport where he tested torpedoes. After being invalided out of the RAF, Don and his family moved back to Bournemouth where he began studying to become a teacher and it was here both Don and Anne became part of a small church and Don began taking occasional services. Moves to Bristol, Somerset and finally Taunton followed where Don became Head of what was initially a failing school in Cheddon Fitzpaine, and where they stayed until Don's retirement. His ability to think outside the box and improvise turned its fortunes around, introducing drama, music, camping and canal boating. He loved the children there and they loved him. Teaching was Don's niche, however he was also enthusiastic about DIY; his motorbike and sidecar, mending porcelain and the somewhat mixed joy of retirement caravanning. Don passed away on 23 July 2023.

Tony embarked on training as a lay reader in 1976 and at some point became an elder of the church. Between 1976 and 1997 Tony led 561 services. Sermons were initially type-written, then latterly written on an Amstrad Word Processor and stored on Floppy Disks! Following his marriage to Iris, they attended Gants Hill United Reformed Church. When he and Iris moved to Camberley in 1998, to be closer to family, they joined High Cross Methodist Church where Tony served as Chair of the Fabric Committee and continued his service as a Lay Preacher, leading 222 services over his eight years there. By now he had moved on from a Word Processor to the delights of a Windows PC. They moved again in 2006 to Bishops Cleeve and joined Bishops Cleeve Methodist Church, Tony playing an active part of the leadership team and going on to lead another 160 services. He led his final service - number 943 - on 19th May 2019, fittingly at Bishop Cleeve Methodist Church. He is survived by his son-in-law, Ric Bagnall, who recalls him saying how he had 'subtly influenced' that quarter's rota so he could bow out at his home church. Tony passed away on 15 August 2023.

This plan includes two new Local Preachers who moved into our circuit during the Summer. You can find contact details for both Denise Baugh and David Thompson in the Circuit Directory.
