#### PASTORAL LETTER from the Superintendent

August 2021

Dear Sisters and Brothers,

Following prayerful consideration, the Methodist Conference has recently voted to confirm provisional resolutions on the principles or qualities of good relating, understanding of cohabitation and same sex marriages conducted on Methodist premises or by Methodist office-holders.

A report on marriage and relationships, '*God in Love Unites Us*', was received by the Conference in 2019 and the Circuits and District Synods were asked to consider some provisional resolutions and report back to this year's Conference. The Conference received a report on the results of the local conferring which showed that 29 out of the 30 Synods confirmed support for the provisional resolutions.

The Revd Sonia Hicks, President of the Conference, prayed ahead of the main debate asking that the Conference's "words may be imbued with your grace, with tenderness from on high."

A range of views were expressed on the resolutions, in particular on cohabitation and same sex marriages. The Revd Dr Jonathan Hustler, spoke to the Conference acknowledging the "depth of feeling, pain and anxiety that there is" with a commitment to work across the Connexion with District Chairs to heal divisions.

Speakers called for unity going ahead irrespective of the decision. Other speakers spoke of the acceptance of diversity that younger Church members have for each other with younger speakers relating their own lived experience as Christians from the LGBTQI+ community. Another representative asked that the Church does not ostracise those who oppose the introduction of same-sex marriages in the Church, saying the great majority of these people are trying to be faithful to Scripture as they see it.

No minister will be required to conduct marriages against their conscience and individual Church Councils will need to vote later this year on whether to apply to be registered as buildings for the conduct of same sex marriages. Before this can happen there are some legal processes to be completed at national level.

The Methodist Church included other denominations and Methodist Churches across the world in the process of listening and consultation, with written submissions from ecumenical partners to the '*God In Love Unites Us*' report and workshops with global Methodist partners.

Following the vote on the provisional resolutions the Revd Sonia Hicks said: "The debate today and our wider conversation has been conducted with grace and mutual respect. As we move forward together after this historic day for our Church, we must remember to continue to hold each other in prayer, and to support each other respecting our differences."

With every blessing,

**Revd John Hellyer**
