

CHILD & FAMILY WORKER AT BETHESDA METHODIST CHURCH

We're looking for someone to grow mission & ministry with children and their families; with those already involved in the life of the church and those not yet engaged. We need someone to build relationships with & offer pastoral care to parents & their children.

ARE YOU:

- Able to work alongside toddler groups, uniformed organisations & youth groups?
- Looking for a role that helps develop opportunities that offer a sense of belonging and an introduction to the Christian faith?
- Able to lead all-age, inclusive worship on a regular basis?

DO YOU:

- Know how to establish new groups, such as Messy Church, Holiday Clubs and Activity Days?
- Know how to use social media and can use it to promote our outreach work and activities?
- Want to help inspire the church to respond to new challenges and opportunities, to help bring people into our community?
- Want to help model a culture where children and families are integrated throughout the church and community?
- Want to want to explore building close links with local primary schools?

IS THIS YOU?

We're located about ½ a mile from Cheltenham town centre, have a mixed-age membership and aspire to be an inclusive congregation. We've long been a community that engages with the world around us through worship, arts, service, partnership and 'open table' hospitality.
